OBJECTIVE

Increase clue awareness

SCENARIO

Thirty items shall be placed in an area approximately 20' x 20'. The items shall be covered. The cover shall be removed for thirty seconds and then replaced. The participants shall then each complete a sheet on which they identify each of the items they remember seeing in the area. The participants shall have 2 minutes to complete the form.

HOW YOU WILL BE JUDGED

This is a team event with a 10 member team.

The team shall be taken to the area and the contest begun as described in the scenario. After the items are covered again sheets of paper shall be distributed on which the team members shall individually write all of the objects they remember seeing in a 2 minute period.

No person shall compete on more than one team.

This is a timed event, in the event of a tie the elapsed time for the team shall be utilized to determine the winner.

Elapsed time is the time from when the Judge orders the papers turned upright and says "Begin" until the last paper is turned into the Judge or the time elapses.

Each team member shall complete the form without discussing anything with other team members.
